Precision measurements ensure a perfect fit.

4

Delivery & Installation

Professional installation and a seamless experience from start to finish.

THE ROCKWOOD DIFFERENCE

The beauty is in the details.

DESIGN & CUSTOMIZATION

- 36 finish options, including 8 colorful artistic stains
- Four louver sizes: 2.5″, 3.5″, 4.5″ and 5.5″
- Classic tilt rod or ClearLine hidden tilt
- 18 framing options including proprietary Craftsman trim kit
- Genuine hardwoods sourced from renewable forests

MATERIALS & SPECIALTY SOLUTIONS

- Custom solutions for arched windows
- Shutters for French doors and sliding doors
- Durable solid-core PVC (not hollow) poly shutters
- Premiere Ultra shutters combining solid-core poly and real wood
- Custom-made to fit your windows

AMERICAN CRAFTSMANSHIP

Made here. Made to last.

Quality should never be compromised. That's why every Rockwood shutter is custom-made in Texas by our own skilled craftsmen. Proudly manufactured in the USA, our shutters reflect a commitment to quality, craftsmanship and lasting beauty.

AMERICAN CRAFTSMANSHIP

Innovative technology

Through the years, we've developed our own proprietary designs—from fully movable louvers on arched shutters to exclusive decorative framing. Our creative range is as wide as your imagination.

SHUTTERS

Creative styling

Beautifully crafted and thoughtfully designed, Rockwood shutters bring timeless style, lasting value and a custom fit to every room.

BEAUTIFUL FINISHES

Louver sizes

Do you envision your shutters with classic styling or a sophisticated, streamlined look?
Your choice of louver size and selection of tilt control can take the appearance from traditional to modern.
Note: 5-1/2" louvers available in solid wood only.

SHUTTERS

Arch solutions

Arched windows deserve a solution that complements their unique architecture. From graceful curves to decorative sunburst designs, Rockwood shutters are custom-crafted to preserve the character of every window.

SHUTTERS

Door solutions

From French doors to sliding glass doors, custom shutters deliver the perfect balance of privacy, light control and style—all while maintaining the functionality of your doors.

SHUTTERS

A palette of possibilities

Interior shutters are like fine furniture for your windows and will make a dramatic impact on the entire room. With 36 finish colors to choose from, your final selection can dramatically influence the overall aesthetic.

Colors for visual representation only. Please refer to physical samples for finish selection.

SHUTTERS

Studio Metal Frame

Combining modern design with thoughtful innovation, Rockwood's Studio Metal Frame pairs sleek metal framing with the warmth of custom shutters. The result is a clean, contemporary look with distinctive architectural appeal.

THE ROCKWOOD STANDARD

Quality you can trust

Thoughtful materials, exceptional craftsmanship and attention to detail come together to create shutters designed for lasting beauty and performance.

- Lifetime Limited Warranty
- Zero to low VOCs in paints and stains
- Proudly made in the USA with U.S. manufacturing standards built in
- UV inhibitors preventing sun damage over time
- Products crafted from sustainable hardwoods
- Superior interlocking joinery like high-end furniture

BLINDS & SHADES

Style for every window

From beautiful textures and colors to innovative light control and motorization, our collection of custom blinds and shades offers endless ways to make every room your own.

Bali®
designer collection

BLINDS & SHADES

Designed around you

Beautifully curated

On-trend fabrics, textures and colors for any style, from classic to contemporary.

Effortless control

Convenient motorization and advanced automation options for the way you live.

Solutions for every window

From standard windows to expansive openings and specialty shapes, we have options to fit your home.

Personal service

Our designers bring their mobile showroom to you, with expert measuring and professional guidance.

Wood & Faux Wood Blinds

Wood Blinds

Highly customizable for light and privacy

Made from responsibly sourced wood

Real wood is attractive, lightweight and durable

Faux Wood Blinds

Wide variety of valance options

Moisture resistant for kitchens and baths

Realistic prints and crisp colors

Cellular & Pleated Shades

Cellular Shades

Designed to insulate against heat and cold

Wide variety of cell sizes to accommodate any window

D-cell construction prevents collapsing of the cell

Pleated Shades

Add excitement and visual appeal to any room

Wide variety of solids and patterns to work with any décor

Neat-pleat technology prevents the shade from flattening

Natural & Layered Shades

Natural Shades

Bring the colors and textures of nature into your home

Optional liners provide extra light/privacy customization

Add edge banding for enhanced style and stability

Layered Shades

Instant light control in a bold, striped design

Provides exceptional view-through and light control

Vanes align when open, and overlap when closed

Solar & Roller Shades

Solar Shades

Variety of openness to control visibility and UV protection

Blocks UV rays while maintaining the view outdoors

Sleek, stylish solution for sunny windows

Roller Shades

Simple light control in a variety of fabrics

4 different opacities to customize light and privacy

Wide selection of customizable fabrics and colors

VERTICAL SOLUTIONS

Effortless style for larger openings

Vertical window treatments are an ideal solution for wide windows, sliding doors and expansive openings. From budget-friendly vertical blinds to energy-efficient VertiCells, our collection offers a solution for every home.

Vertical Blinds

- Cost-effective solution for expansive openings
- PVC and fabric options
- Pair with faux or real-wood blinds for a whole-home solution
- Steel track system allows for precise vane spacing
- Easy to clean; requires minimal maintenance
- Interlocking S-shaped vane provides additional light and privacy options

BLINDS & SHADES

Panel Track

A modern solution for sliding doors

Wide variety of designs and colors

Varying opacities and openness to achieve perfect light and view through

Fabric stack can be positioned on the left or right

Easy to clean; requires minimal maintenance

Combine with roller or solar shades for a whole-home solution

BLINDS & SHADES

Vertical Cellular Shades

Energy-efficient solution for expansive openings

Cell stack is completely customizable and versatile

Allows material to stack on the right, center or left

Wide variety of colors and fabrics

Combine with cellular shades for a whole-home solution

Movable side rails with locking handles allow for ease of operation

Natural Drapes

- Natural woven textures designed for a unique look
- Combine with natural shades for a whole-home solution
- Vertically oriented material that functions and looks like drapery
- A liner may be added for additional light control options
- Fabric-wrapped valance for a coordinated and finished look
- Edge banding is suggested to enhance the look of the shade so it will last for years to come
